

# INTRODUCING THE NEW FACE OF STRATEGY GAMING.

**SEE IT. BELIEVE IT.**

**THE NEXT GENERATION SETS A NEW STANDARD.**

*Panzer General® II* is more than a sequel. It's an entire generation beyond anything yet seen in strategy games:

- Awesome gameplay from an enhanced game engine
- Incredible artwork in thirty hand-crafted battlefields
- Photo-realistic, 3D-rendered combat units with six facings
- Battles on European fronts, in North Africa or even the U.S.A.
- Full Internet multiplayer support through Club SSI: up to four players
- Powerful Battle Editor for scenario and unit data
- Choice of Axis or Allied roles

*The Living Battlefield™ series features the enhanced realism of hand-crafted maps and photo-realistic 3D-rendered combat units.*
